/ EXPERIENCE WITH

HTML | JavaScript | CSS | React | Express
Node | Axios | AJAX

/ PROJECTS

>> Clash Of Titans
JavaScript | HTML | Axios
Pulls in Superhero/Villains data from an API and helps compare the stats of both.

>> Face Recognition App
React | Node | Express
Takes the link of the image that the user provides and checks to see if the image consists of a face. It also keeps a track of users rank.

>> Online Timer App
JavaScript | HTML
Runs a timer for the amount of time a user puts in terms of seconds by.

>> Secret Messenger App
JavaScript | HTML | CSS
Encrypts a message written by the user and transforms it into a link only accessible to the person with whom the user shares the provided link with.
